Cloud in a Jar

Have Dreams
HELPING AUTISTIC VOICES EMERGE

1. Fill 1 jar with water.

2. Add 6 drops of food coloring to the water.

3. Fill another jar with water.

4. Spray shaving cream on top of the clear water to make a cloud.

5. Use a pipette to suck up the colored water.

6. Drop the colored water into the cloud. Keep going until it rains!
