

Cornstarch Chalk

1. Use masking tape to seal the bottom of your roll with wax paper.

2. Line the inside of a craft roll with wax paper.

3. Add 1/3 of a cup of cornstarch to a bowl.

4. Add 1/3 of a cup of water to the bowl.

5. Add 10 drops of food coloring to the bowl. Stir.

6. Scoop the mixture into the craft roll. Let it dry for 1 day. Remove your roll and color!
