

Glow Jar

1. Get 1 empty soda bottle and a pair of scissors.

2. Cut the tip off of 3 glow sticks. Make sure not to spill the liquid inside.

3. Carefully shake the open glow sticks into the bottle. Make sure to splash the sides!

4. Carefully add 1/4 teaspoon of glitter to the bottle.

5. Twist the top back onto the bottle.

6. Place the bottle in a dark room and enjoy the colorful night light!
