

Workforce + SCILS

(Social, Communication, Independent Living Skills)

Have Dreams, a leader in autism services since 1996, offers **Workforce + SCILS**, an after-school, simulated work experience for students with autism. Workforce + SCILS provides a bridge between school and "first time" employment.

Workforce + SCILS (social, communication, independent living skills) will focus on exploring different work environments and will give participants a chance to develop and practice skills in our on-site Walgreens Training Facility. We will also focus on independent living skills such as cooking, healthy living, etc. as well as enjoying high interest social activities with peers.

FREE through a generous grant from TAP (The Autism Program)

Tuesdays: 4:15 pm-5:15 pm

Location: Have Dreams Evanston, 2020 Dempster St.

Eligibility Criteria:

- Ages 16 and up
- Have the desire to explore and/or prepare to work competitively in the community or to pursue further training or education after high school
- Demonstrate independent personal hygiene, grooming, and independent daily living skills
- Maintain appropriate behavior and social interactions in the workplace (i.e., no aggressive or disruptive behavior)
