

# MAC + CHEESE

Boil **6 cups** of water in a pot on the stove

When water is boiling **add macaroni** and cook for **9 minutes**

**Drain** the macaroni, carefully. Return to the pot.

Add  $\frac{1}{4}$  **cup** of **milk** and **4 tablespoons** of **butter** to the macaroni

Add **cheese power** to the macaroni

**Stir** everything together and **enjoy** :)
